

Pumpkin carving stencils

4 free faces to print, cut out and tape on

Which one will you carve?

- | | | | |
|---|---------------------|-----------------------------------|--------|
| 1 | Silly Smile | Easy · big round shapes | page 2 |
| 2 | Classic Jack | Easy · straight lines only | page 3 |
| 3 | Swirly Grin | Medium · take the curls slowly | page 4 |
| 4 | Little Oh! | Easy · perfect for a mini pumpkin | page 5 |

Carving night with little ones

- Kids draw the face, grown-ups do the cutting.
- Scooping out the seeds is the best job for small hands.
- Light it with an LED tea light, not a real flame.

How to use a stencil

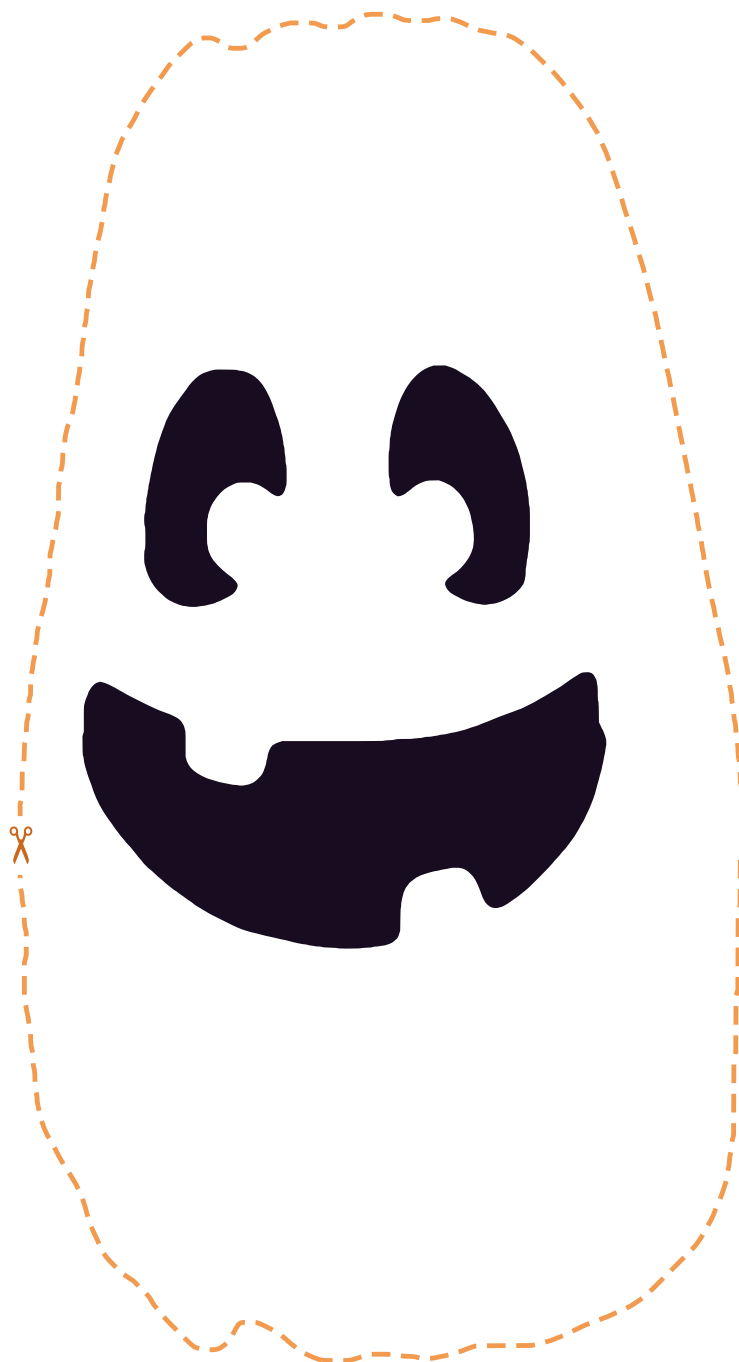

- | | | | |
|---|--------------------------------|---|---|
| 1 | Print at 100% ("Actual size"). | 2 | Cut along the orange dashed line. |
| 3 | Tape it onto your pumpkin. | 4 | A grown-up pokes small holes along the black shapes, then carves. |

Kids choose and tape, grown-ups do the cutting. Light it with an LED tea light, not a real flame.

1
